

# MAIA WAI

- 10 week water confidence class for pēpi between 6months – 5years old held at the Allan Pool
- 1-2 Classes a term (Dependant on Staffing of NAC and Funding)
- Each class is lead by a swim instructor from Napier Aquatic Centre, who guides whānau each week with song
- Class goes for 45mins and goes through various activities to build both Pēpi and Caregivers confidence in the water

# So why Maia Wai?

This programme gives parents and tamariki the skills and confidence to stay safe in all aquatic environments.

In fun, guided sessions with trained swim staff, families build water-safety awareness at a key stage of development.

Participants leave with practical skills to enjoy Napier's many aquatic spaces over summer.

But what really sets Maia Wai apart is the funding support that helps remove financial barriers so more whānau can take part
